Snow

One day I was sleeping in my room. I went to the window. It was snowing. I was yelling and my brother woke up. We went to ask our mom if we can go outside.

My mom said "Yes". We went outside. We made a snowman. It was fun. Then we started to throw snow balls at each other. My brother threw a snow ball on my face. He laughed and I laughed. Then I went to my cousin's house. We had a good time. I loved it. It was fun. Then we went to watch a movie. I loved the movie.

Then I washed the dishes. Then we watched another movie. I loved the movie. Then I went to sleep. Then I threw a snow ball in his face. It was awesome.

*My mom said "It is time to drink hot chocolate".
Then we went inside to drink hot chocolate. Then I
watched T.V.*
