## Gobble's Big Story

November 28, 2011

*I am a turkey named Gobble. My friends are Beaker, Speedy, and Waddle. I live in a forest in Canada. But the bad thing about it is that an ANGRY Farmer and the ANGRY Farmer's wife that live by the forest and it is November. November is a bad month for turkeys because they will get killed for a Thanksgiving.*

*Gobble, Beaker, Speedy, and Waddle were joyfully skipping around the forest. Then Red Fox jumped out of his den and almost scared the feathers off of Gobble. "Why are you skipping around so joyfully?", he asked. "We are trying to have fun", said Speedy. Beaker nodded his head as well as Waddle. "Why do you ask?", said Gobble. "Because a farmer is coming to hunt to tonight", said Red Fox. The turkeys gasped.*

*Then suddenly they heard a rustling in the bushes. "It's the FARMER!", yelled Red Fox as he leaped away into his den. "RUN FOR YOUR LIFE!", screamed all of the turkeys. All of the turkeys ran, and then Gobble fell and the farmer caught him and right before he put him in a cage Red Fox jumped out and saved Gobble's life.*

## Pacific Science Center

March 1, 2012

On Wednesday February 29, 2012, my class went to the Pacific Science Center. My favorite thing was the Planetarium. It was really fun too, because we got to see what the sky would be like that day at about 7:30 at night time. We also went to the Butterfly House exhibit. That was also fun, but it still wasn't my favorite thing.

## Why the Christmas Lights Stay Should Stay Up

January 10, 2012

I think the lights should stay up until winter is over because it reminds us it's still winter and they give the classroom more color.

Other people want the lights to come down early, but I really don't agree with them.

## When Ugly Met Gobble

March 10, 2012

Once upon a time when Ugly the chicken was skydiving, Ugly heard the sound of a turkey. At first he didn't know why he heard the sound of a turkey, but right at that moment he heard the loud sound of an airplane, and then he noticed that there was also a turkey skydiving, and Ugly thought that the turkey was copying him so he tried to get the turkey out of his way. Finally when he and the turkey were face to face Ugly did a nervous smile and the turkey said in a kind of whisper "My name is Gobble". Ugly didn't notice that they were like 50 feet from the ground and Gobble already used his parachute and he was floating down slowly but Ugly forgot to use his and he crashed into an electric fence.
